IMPORTANT

- Please read these notes before you complete this form

All items listed should be manufactured in the UNITED KINGDOM and destined for the export market.

1. Price quotes

If the price of the product has changed since the last price given please enter the new price for the next month in the price column. **If the new price increases or decreases significantly please give reasons using the comments box below.** This may prevent us from contacting you again later.

If the price of the product is unchanged since the last price given please enter "X" in the "Ditto" box and leave the price column blank.

Please complete any boxes for the previous months if they are blank up to and including the current month. You can also "Ditto" prices for up to three months in advance if they are going to remain the same.

2. Price structure

The price quoted should:

- be a **normal export transaction price**, ie after discounts and excluding VAT and agent's commission.
- be to a specific customer or an agent.
- reflect orders placed in that month.
- compare **like with like each month**.
- be **representative** of current exports.

3. Product changes

If you modify, replace or discontinue any product or alter the unit or terms of sale, please put a line through any details which are incorrect, write any amendments alongside and insert an "X" in the appropriate box overleaf. The product, unit and terms of sale should be described in enough detail to ensure consistency.
